

Amiral Hotel Varna

GPS Coordinates:

43°12'54.2" N 027°56'40.8" E

How to get to the hotel by car:

Driving from Sofia (Varna airport): Entering Varna from the High way drive straight forward to the 8th traffic lights and turn left (the Cathedral). Turn right at the 3rd traffic lights (The Red Square) and to the left at the next lights (University of Economics), drive by the Sea garden heading North, Golden Sands resort and make an opposite turn at the third bus stop (the Dolphinarium). Turn right and follow the hotel direction signs.

Driving from South (Bourgas, Turkey): After passing the big bridge over the sea channel (Asparuchov Bridge) drive straight forward and turn right at the 6th traffic lights (The Red Square) and to the left at the next lights (University of Economics), drive by the Sea garden heading North, Golden Sands resort and make an opposite return at the third bus stop (the Dolphinarium). Turn right and follow the hotel direction signs.

Driving from North (Golden Sands resort, Romania): you will see the hotel on your right side just after entering Varna after passing three high blocks of flats. Pass the hotel and turn right to follow the direction signs to the parking and main entrance.
